TERMS & CONDITIONS

- We want to save your time, please check all your preferences before we start working on your order (we always ask our customers to complete a preferences form). As an exception & as a last resort, we accept one set of corrections, thereafter we charge R500 per set of corrections submitted. Full list of terms & conditions available on our web site.
- Our services are provided in English only. Prices are subject to change without notice.
- The delivery time depends on the package you order. It may vary from 5 to 10 business days.
- Our services are so effective that they increase the chance for sales. However, you should also note that several other factors drive sales, such as the implementation of our recommendations, the appearance of your website, strategies for optimizing your ads, your marketing efforts, to mention a few.
